Subject: RE: Agenda for Teleconference

Dear John,

Thank you for the update and agenda. Yes, the first day will be ½ day government only, then ½ day stakeholder-government. Day 2 was going to be devoted to a workshop to discuss "Trade and Maximum Residue Limits in the Americas".

I will share the agenda with the others.

Thank you,
Wanda

Wanda

After our preparation call today.

We had previously reached out to grower groups in Mexico, Canada and US and received some feedback we can share.

Here is a proposed agenda for the call on Tuesday:

- Introductions
- Agency feedback to the IWG letter from the 2016 meeting
- Review of logistics regarding NAFTA TWG meeting
- Share input from grower stakeholders
- Discuss NAFTA TWG agenda and potential topics

- Discuss expanded regulatory agency involvement and invitations
- Other topics

We had some indications that the TWG meeting might have a ½ day stakeholder meeting the first day followed by a workshop on day 2. Is this the current thinking?

We appreciate everyone's time for the call Tuesday and your assistance with organizing that.

Please contact me if you have any questions.

Have a great weekend

John

Dear John,

I wanted to ask if you have developed an agenda for the conference call on Tuesday of next week? If so, we should share it in advance with everyone.

Kind regards,
